The screenshot shows the Google Advanced Search page in a Windows Internet Explorer browser. A red box at the top contains the text "Insert your search terms here" with a red arrow pointing to the search input field. A red box on the right contains the text "You can select Free to Share and Use." and "Turn on Safe Search." with two red arrows pointing to the "Usage rights" dropdown menu and the "SafeSearch" radio buttons, respectively. The interface includes sections for "Find web pages that have...", "But don't show pages that have...", "Need more tools?", "Page-specific tools", and "Topic-specific search engines from Google".
